

Java Jive serenade St Winifreds Care Home residents

On Tuesday 3 September we welcomed Java Jive to St Winifreds Care Home, who are very popular with our residents.

On this occasion, **the talented musical duo visited all our bedrooms**, playing their musical instruments and singing to our ladies and gents who are being cared for in bed.

All the residents involved had a great time and thought it was lovely to be serenaded. It was so **special seeing their faces light up** as they listened to the music being played on the **violin and guitar**.

Thank you Java Jive – come back soon!
