

John and Ellie bring music and dancing to St Winifreds Care Home

Music with John and Ellie

On Thursday 24 March we hosted a lovely afternoon with two of our favourite singers John and Ellie here at St Winifreds Care Home.

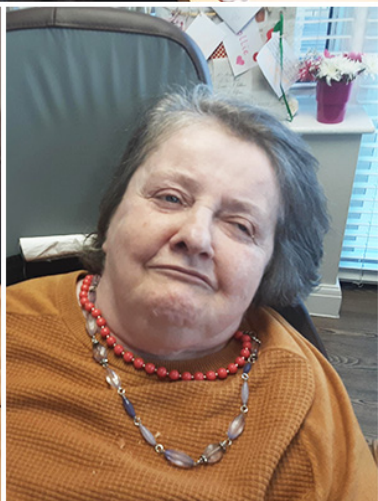

We sang along to some **old tunes** and even had a **good dance**!

Thanks to John and Ellie for a really memorable afternoon.

Hippy crafts!

On Friday 25 March our residents came together to make some **headbands and necklaces** from ribbon, gems and heart stickers and flowers **for our 1960s day** – with music from Barry Goss – which we are looking forward to next month.

Marj didn't want her Teddy to miss out, so we dressed him up too!

Having fun with music and crafts
