

Jubilee crowns and music with Barry at St Winifreds Care Home

Crown crafts

Ahead of the Jubilee celebrations, our ladies at St Winifreds Care Home have enjoyed creating some colourful crown pictures, fit for the Queen!

They used colouring pens to create their beautiful pictures and added gem stickers to really bring them to life. *Fantastic!*

Music with Barry

To get us in the mood for some great celebrations over the Jubilee weekend, we enjoyed a **singalong and dance** with one of our favourite entertainers, **Barry Goss**.

From *Elvis* and *Cliff Richard* to *The Beatles*, he put on a great show for us all and our residents had a lovely time singing along and dancing.

Come again soon Barry!

Enjoying music with Barry
