

Knitting Club blankets at St Winifreds Care Home

It's been fantastic to see our St Winifreds Care Home Knitting Club up and running again, with a new face joining too.

Our ladies really enjoy the social aspect of the group, with some wonderful chats over cups of tea.

Everyone is excited to be **knitting babies blankets for premature babies in our local hospital** – *how special to see such skill put to a very worthy cause. Keep up the great work ladies!*
