

## Making Christmas wreaths at St Winifreds Care Home

**On Thursday 9 November some of our St Winifreds Care Home residents started to create beautiful Christmas wreaths for the festive season.**

They had lots of fun wrapping beads and lights around the wreaths and tying baubles on to them – there were lots of smiles and laughter every time a bauble fell off the table!

*.... and some cheeky grins from Diana who said "I'm going to be the Grinch!"*
