

## Making puzzles and enjoying bingo at St Winifreds Care Home

### Lolly stick puzzles

Our Recreation and Well-Being Champion Chelsea had a great time with our residents at St Winifreds Care Home on Thursday 13 July making lolly stick puzzles.

They sellotaped lolly sticks together and drew colourful pictures on them. They could then be separated for someone else to put back together like a puzzle.

Everyone really enjoyed making them and created some lovely pictures.

### Bingo

It was great to see so many 'newbies' at our **popular bingo session** last week.

We had **prizes** of toiletries, chocolate, note books and pens – *so no one went away empty handed and everyone had a smile on their face!*
