

Marj turns 101 at St Winifreds Care Home

Our lovely Marj recently celebrated her 101st birthday with us at St Winifreds Care Home.

For a birthday treat, we arranged a **special dinner** for her to share with her friend **Barbara** and Recreation and Well-Being Champion **Heather**, where she requested spaghetti bolognese because she "*Wanted to slurp it!*"

Marj enjoyed a wonderful day of **cards and gifts** and she was especially delighted with her **amazing '101' cake!**

Many happy returns Marj – definitely 101 years young!
