

## Masquerade Ball and music at St Winifreds Care Home

## Winter Ball

On Friday 11 November we hosted our winter Masquerade Ball, with a beautiful staircase back drop and decorations. Our ladies loved dressing up and wearing their decorated masks, whilst our gents looked very dapper in their dickie bows!

We enjoyed music from the *Swingtime Sweethearts* and sang and danced the afternoon away, before tucking into a **delicious buffet** served with a tipple of sherry, wine or shandy.

What a wonderful afternoon!

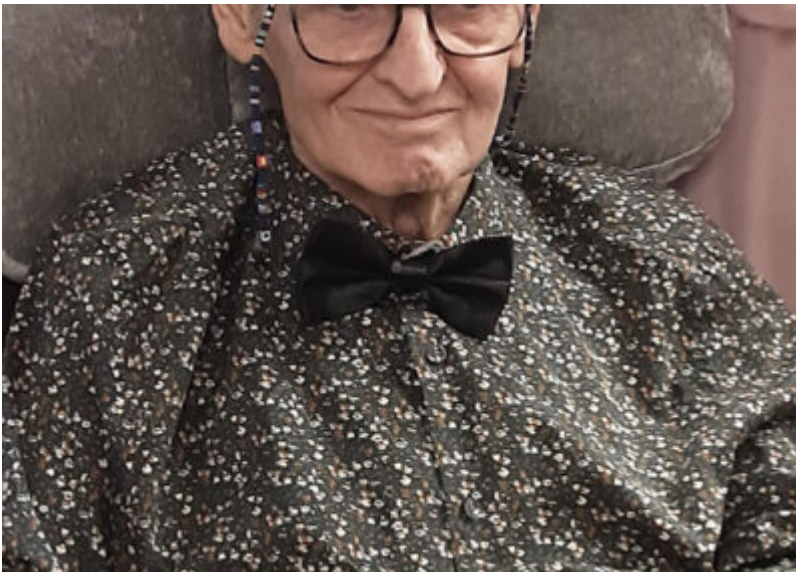

## Travelling Troubadour

On Monday 14 November we enjoyed a **relaxing sing along** with the *Travelling Troubadour*. From Elvis to popular old London songs, we had fun with some classic tunes!

## Friendships and working together

Here at **St Winifreds** we take great pride that we have some lovely **in-house friendships** and we encourage our residents to work together. Whether it's a chat over coffee or working together on projects, it's great to see our residents friendships blossom.

## Barber

In the afternoon we had our first visit from our **new in-house barber Rhys**, which our gentlemen really enjoyed.

Rhys is enjoying getting to know all our lovely chaps and they are loving having him!

*Welcome Rhys – great to have you on board!*
