

Mavis celebrates turning 102 at St Winifreds Care Home

On Saturday 20 May our lovely Mavis celebrated her 102nd birthday with us at St Winifreds Care Home.

Our night team decorated the lounge and her bedroom for her with **balloons and banners** and she enjoyed her special day celebrating with our staff and residents by having a **cream tea** which is just what she wanted.

She was very happy eating her scones with jam and cream – *the perfect choice!*

Many happy returns of the day Mavis!
