

Max visits St Winifreds Care Home on his birthday

This week our lovely Nurse Nisha's son Max turned three and Nisha brought him in to see us at St Winifreds Care Home, complete with a birthday cake for him to share with everyone.

All our residents thoroughly enjoyed meeting young Max and celebrating his special day. We sang '*Happy birthday*' to him and enjoyed a delicious piece of **red velvet cake**.

It's so wonderful to **celebrate with the young** and share time together across the generations.

Many happy returns Max!
