

Mothers Day celebrations and a Bingo afternoon at St Winifreds Care Home

Our mums enjoyed Mother's Day at St Winifreds Care Home with lots of lovely cards, chocolates and flowers! We were treated to a special music concert from The Bel Canto Sopranos, which was so uplifting and made us all smile.

At the weekend our residents also enjoyed an afternoon of **Bingo** with tea, coffee, crisps and sweets on offer. Everyone had fun chatting and catching up – and winning of course!

We also enjoyed making some colourful **decorations for St Patricks** day to liven up our Units.

...and we couldn't resist taking some funny face selfies!
