

## Music and Halloween fun at St Winifreds Care Home

### Singer Geoff

Geoff Dean came to entertain us all at St Winifreds Care Home on Wednesday 27 October today.

He performed **music from the 60s and 70s** and we all really enjoyed singing along to classic tunes by **Elvis, Cliff Richard** and many more, along with Tina the witch!

We served tea and biscuits and everyone thoroughly enjoyed the atmosphere.

### Halloween

We had fun **decorating and making spooky crafts for Halloween** last week including decking our lounge with pumpkin bunting, and creating wool ghosts and Halloween-themed lanterns – all ready for our **Halloween** party with games!
