

Music in the garden at St Winifreds Care Home

Music with Jeff

Our residents at St Winifreds Care Home enjoyed an afternoon in the garden with Jeff our local singer and entertainer on Saturday 12 June.

Jeff performed a wonderful **medley of tunes** and everyone loved singing and dancing, as we all made the most of the lovely sunshine.

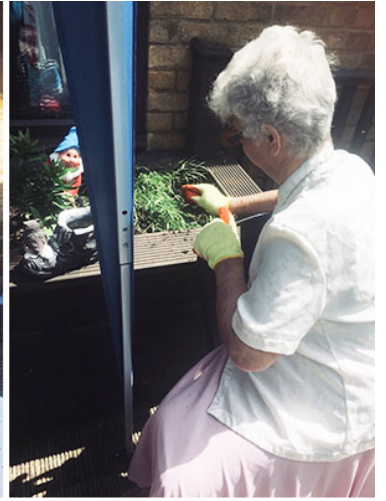

We served refreshing cold drinks and ice lollies to keep everyone cool.

Green fingers

Some of our ladies enjoyed an **afternoon in the garden** last week, weeding and watering and planting new plants to make our **St Winifreds** garden bright and beautiful.

After all their efforts they enjoyed **ice lollies and cold refreshments**.

Thank you for all your hard work ladies!
