

## Music with Java Jive and Geoff Dean at St Winifreds Care Home

We really enjoyed our visit from Java Jive at St Winifreds Care Home this week. Not only did they visit all communities in our Home, they also made some visits to our residents in their rooms.

Great songs made for a great atmosphere – with **Rachel on the violin** and **Anthony on the guitar**; what a great morning we had. Next time they pay us a visit we will be concentrating on more resident room visits so everybody gets to enjoy the wonderful music.

We've also have the pleasure of **Geoff Dean** in recent weeks, who entertained us with a repertoire of lively 60s and 70s songs for us to sing along to!
