

## Music with John and Ellie at St Winifreds Care Home

**On Thursday 20 January our residents at St Winifreds Care Home enjoyed musical entertainment from our old favourites John and Ellie.**

The duo both sing and John plays guitar; they sing a medley of hits, from **Elvis** to **Cliff Richard**, which always go down well with our ladies and gents.

They also perform some old favourites, including '*London Town*' and '*Lambert Walk*'. We all sang along and danced while enjoying the music, and everyone tucked into tea and biscuit refreshments.
