

## Music with John and Ellie at St Winifreds Care Home

## Music makers

On Tuesday 19 October we welcomed one of our favourite duos to St Winifreds Care Home - entertainers John and Ellie.

The pair performed a wonderful **medley of music** for our residents; they always do songs we love so we can all sing along together. Some of the **songs really bring back memories** for our ladies and gents as we join in.

*Thanks for a super afternoon John and Ellie – see you again soon!*

## Halloween mascot

Meet our Halloween mascot – her name is **Edith**. Our residents really like her, *even those who don't really like spiders!*

She is so much fun, good to cuddle and has lots of fun in store for **Halloween** at our **Home**.

Edith loves cuddles!
