

Musical celebrations for the Jubilee at St Winifreds Care Home

Garden party

To kick off our Platinum Jubilee celebrations at St Winifreds Care Home, we had a garden party on Thursday 2 June.

We invited our **families to come and join us** and were thrilled to welcome the '*Swing time sweethearts*' who delighted us all with their wonderful music.

As part of the day, we were also treated to songs from our choir – *The St Winifreds Songbirds*.

Our Home was decked out with **red, white and blue decorations** and we planted some lovely flowers too.

Our Chef and Kitchen Team prepared a **delicious buffet** for everyone to enjoy and we had fun taking lots of photos!

Tea party

To end our long weekend celebrations, we served a **lovely afternoon tea** which our ladies and gents enjoyed as they watched the Jubilee pageant on television.

What a fantastic week of Jubilee memories!
