

New Dining Bistro at St Winifreds Care Home

Dining Bistro

Our residents have been enjoying our new Dining Bistro here at St Winifreds Care Home, which we've set up in our dining room with a selection of breakfast choices, drinks and pastries to choose from.

On Monday 17 May, our residents enjoyed having their **lunch in the Bistro**, with a selection of beverages.

It looks so inviting and has got a big thumbs up from everyone.

Tea and cards

Our residents recently enjoyed an afternoon of 'posh tea' in china cups and a game of *Play Your Cards Right* ('guess higher or lower!'). The game was girls vs boys, with **croissants**, **cakes** and **biscuits** for everyone to enjoy.

We all thoroughly enjoyed this game and there was lots of cheering along.

The winning results was **4-3 to the ladies** – well done team!

Play Your Cards Right!
