

## Pampering and passports at St Winifreds Care Home

## Welcoming Joanne to our team

We'd like to welcome our new team member Joanne who has joined our Recreation and Well-Being team here at St Winifreds Care Home.

Joanne has settled in wonderfully and our residents are enjoying their one-to-one time with her time, as they get to know each other. They are also delighted that she has been **pampering** them and doing their hair too. Our ladies are so happy!

*It's great to have you at St Winifreds Joanne!*

## Preparing to set sail

Our residents have also been enjoying **making their own passports** this week, putting them together for the start of our **Nellsar Cruise** on Thursday, which will lead nicely into the **Chinese New Year**.

## Baby doll comfort and cuddles

Joan has thoroughly enjoyed time with her **baby doll** recently, who provides such engagement and focus for her. She has new clothes for the baby and has loved dressing her, feeding her and of course lots of cuddles!
