

Performer Rob T impresses St Winifreds Care Home residents

This week we had a visit from a new entertainer to us at St Winifreds Care Home - singer and musician Rob T who sang songs from different decades and a selection of Christmas songs that we all loved singing along to.

He was brilliant with our ladies and gentlemen, and they all commented how much they had loved his visit. Everyone enjoyed shaking his hand at the end and thanking him for coming.

We are now all looking forward to his next visit!
