

Puppy love and pizzas at St Winifreds Care Home

Meeting Tisha

One of our Recreation and Well-Being Team members brought her puppy in to say hello this week at St Winifreds Care Home and everyone adored her.

Tisha loved being stroked and meeting everyone. She brought **such joy** to our residents, what a character! We're hoping she will join us again sometime, as we'd love to watch her grow.

Celebrating pizza

On Friday 9 February it was **National Pizza Day**, so we organised a real treat for our residents in the afternoon – a **cheese and biscuits and pizza tasting session**.

We savoured **different cheeses** to see which ones we liked the best and everyone loved tucking into their **delicious pizza slices**.
Yummy!
