

Reminiscence Day and poster colouring at St Winifreds Care Home

A trip down memory lane

On Wednesday 12 October we held a reminiscence quiz with our residents at St Winifreds Care Home.

We printed out a **'Who am I?' picture quiz**, featuring lots of famous celebrities, singers and Hollywood stars of the past who you had to name, including Dolly Parton and Doris Day – a *real test of memory!*

Afterwards, we played some of the **songs** that these famous singers had performed and all enjoyed singing along with them; we even had a **dance around the lounge**.

Our **'Retro' magazines** were also popular and we took time to look through them and talk about the different celebrities featured inside.

Arts and crafts session

We've also been busy **colouring posters** for our upcoming **Halloween** celebrations and also for our '**Breast Cancer Awareness Day**' on Friday 21 October.

A fun time was had by all!
