

## Residents enjoy at 60s Diva Party at St Winifreds Residential Care Home

**We had a wonderfully 'groovy' time here at St Winifreds Residential Care Home on Tuesday 22nd September, when we hosted our lively 60s Diva Party!**

We decked out our lounge with **60s era colourful decorations** and welcomed **singer Jasmine** to perform live music from our car park, which was fantastic.

Our residents sang and danced along and enjoyed a good laugh, wearing their **'flower power' head bands**.

We had a **scrumptious buffet** of sandwiches, vol au vents, nibbles, fruit and cake, with a selection of tipples too! And goodies from our **vintage ice cream truck** went down a treat!

*Such brilliant fun, we all thoroughly enjoyed ourselves.*
