

Residents enjoy music and games at St Winifreds Care Home

We had a lively week of music and games here at St Winifreds Care Home last week.

Our ladies and gents thoroughly enjoyed a **Games Morning** at our **Home** on Friday 29 January, when we organised **bean bag darts**, **hoopla** and **dice games**. Such good fun and a great way to test all our aiming skills!

We also came together to share a **sing-along** to music from the 40s and 50s which was wonderful. Our staff really got into the **singing and dancing** and it was fantastic to see everyone enjoying themselves and some taking to the dancefloor!

On Sunday afternoon our ladies and gents enjoyed relaxing with tea and biscuits and a few games of **Bingo**, with Joanne, our new Recreation and Well-Being Team Member, calling the numbers for the first time. She was great and we all enjoyed lots of laughs and giggles!
