

Residents enjoy music and the Nellsar News at St Winifreds Care Home

Music with Trevor

On Wednesday 2 August we welcomed guitarist Trevor to St Winifreds Care Home.

We sang along to old favourites from performers such as The Beatles and Elvis, and even got up and enjoyed a dance.

We do love our music here at St Winifreds, so it was wonderful to share in Trevor's tunes!

Nellsar News

We also enjoyed reading the **latest edition of the Nellsar News** together, which is packed with articles and photos about Nellsar Homes, residents and staff.

Our ladies and gents enjoyed reading it, especially the 'Meet our residents' pages which feature our residents Gladys, Roni and Colin this time around.

We discussed all the topics in this issue and enjoyed all the pictures together.
