### **Residents' meeting**

**On Wednesday 14 September we held our monthly residents' meeting at St Winifreds Care Home.**

It was great to see so many residents in attendance and discussion **topics included our food and recreation and well-being activities.**

Everyone cheerfully enjoyed biscuits from Heather's holiday and a cup of tea – it was a great **bonding and social occasion.**

## Music and refreshments

On Thursday 15 September we enjoyed entertainment from '**Country Blues**' - our popular entertainers John and Ellie.

Our residents enjoyed the music and joined in **playing their tambourines**.

We served refreshments during the performance and everyone had a very enjoyable time.
