

Retirement celebrations for Anita at St Winifreds Care Home

Anita Macey has been our Kitchen Assistant at St Winifreds Care Home for almost 26 years and on Friday 23 April she retired after many years of dedicated service.

We threw her a **surprise party** with our residents, with plenty of Bucks Fizz flowing and party food to enjoy, as well as a beautiful **chocolate retirement cake**.

Anita had a **surprise zoom call** with Operations & Compliance Manager Alison on our TV and was overwhelmed with her **flowers and gifts**.

Wishing you a very happy retirement Anita, from everyone at St Winifreds xxx
