

Savoury snack taster Friday at St Winifreds Care Home

On Friday 27 October we held another one of our popular taster days here at St Winifreds Care Home.

*This time our residents enjoyed sampling a selection of **nachos and dips**. We had cool Doritos and cheese Doritos with several different flavoured dips – cheese and chive, sour cream and onion, tomato salsa and guacamole, to name a few!*

'Taster Friday' was a great success and almost all our ladies and gents tried and really enjoyed the savoury snacks. Some of our team members also sampled them.

We are all looking forward to seeing which tempting 'eats' come next!
