

## **Singer Geoff Dean visits St Winifreds Care Home**

**Our staff and residents at St Winifreds Care Home had a great afternoon with Geoff Dean recently when he paid us a visit.**

Geoff had us singing along to some of our old favourites and some he hasn't performed for us before, including a bit of David Bowie – which we all loved singing and dancing to!

We also had a good boogie to some really up-to-date songs – such as 'Human' by a band called The Killers – which to our surprise was an enormous hit!
