

Splash art and movie day at St Winifreds Care Home

Residents here at St Winifreds Care Home enjoyed a fun-filled morning of splash art earlier this week with painting a new 'welcome back' sign for our visiting room.

We were all in high spirits and our residents cheekily enjoyed splashing paint over Julie and Jo. They were laughing so much, it was so lovely to see so many smiles!

Our ladies and gents also celebrated 'Sunday at the Oscars' with a movie day. With a stash of popcorn, sweets and tea and coffee, everyone enjoyed watching 'La La Land'.
