

## Sports Day at St Winifreds Care Home

Our residents had an amazing afternoon last week here at St Winifreds Care Home, as we enjoyed fun and games on our Sports Day.

Our **tin can alley** was the biggest hit, with our residents taking aim to see how many points they could score. We also had **bean bag and dice games**, with lots of concentration!

With smiles and laughter all around, and some wonderful feedback from our ladies and gents, we all thoroughly enjoyed the day.
