

## St Winifreds Care Home celebrates National Tea Day

**We love a good cuppa here at St Winifreds Care Home and to mark National Tea Day we tried a range of fruit teas.**

It was fun tasting them; *some we liked, some we didn't!*

Our residents liked **Apple & Ginger** which was tasty, as well as **Strawberry & Cucumber** which was rather nice and refreshing too.

*It's always nice to try new things!*
