

St Winifreds Care Home celebrates VE Day

On Sunday 8 May we celebrated VE Day with our residents at St Winifreds Care Home.

Our lounge looked amazing with all our **decorations, flags** and **Union Jack bunting** and our ladies and gents got into the spirit of the day with their **Union Jack hats** on!

Everyone enjoyed a lovely lunch and in the afternoon we held a **tea party**, with a delicious cake made by our Chef.

A really memorable day!
