

St Winifreds Care Home ladies enjoy sharing their knitting skills

This week at St Winifreds Care Home we were pleased to see some new faces at our Knitting Club.

Our team member Heather and our ladies are still **working hard to make soft blankets for premature babies in hospital**, which is such a wonderful thing to do.

Tea and biscuits kept them going, as well as a **good chat!** Our gents joined them for a natter too and complimented the group on their impressive knitting skills.

Well done ladies – keep up the great work!
