

St Winifreds Care Home Pantry Baking Club

Making tasty treats

Last week, at St Winifreds Care Home, we started our long awaited Pantry Baking Club which was enjoyed by all who joined it. From chocolate mints to sweet pops, tasty treats were made and devoured, as well as a lovely mess which we loved!

Gentlemen's afternoon

On Sunday 13 March we held a **Gentleman's Afternoon**, where our gentleman residents enjoyed a beer or two, played games and watched a film. A great time was had socialising with our peeps!
