

## St Winifreds Care Home prepares for World Book Day

On Friday 25 February we started to get ready for World Book Day with our residents at St Winifreds Care Home.

**World Book Day** takes place on 3rd March every year and this year celebrates its 25th anniversary, celebrating and promoting reading for pleasure on the day itself and all-year round.

We enjoyed **talking about our favourite books** when we were younger and **making our own bookmarks** using glued photos and colourful stickers.

*It was lovely to see so many smiles!*
