

St Winifreds Care Home resident enjoy Costa outing and making scones

Hot chocolate heaven!

We had a lovely trip out in our minibus to our local Costa last week with two of our lovely ladies from St Winifreds Care Home.

We enjoyed **hot chocolate with cream and marshmallows** (yum!). We also treated ourselves to a delicious slice of **cake** and met some really nice people.

Scone making

In our **St Winifreds Pantry** last week we made some **fruit scones** together. Our ladies and gents really enjoyed mixing the ingredients and cutting the scones, ready for baking.

Everyone enjoyed them at tea time – *they were so delicious!*

VE Day preparations

On Friday 6 May we got together for a spot of **colouring**. We had some great pictures to choose from, including medals, tanks and aeroplanes – all in preparation for the weekend **VE celebrations**.

We worked really hard to make them look fabulous!
