

St Winifreds Care Home residents and staff celebrate Romanian Day

On Wednesday 2 December our residents and staff celebrated Romanian Day here at St Winifreds Care Home.

Our Deputy Manager **Milana Braide** is from Romania, so we all really loved celebrating with her

Our residents made Romanian flags and in the afternoon Julie and Milana dressed up in **Romanian outfits**.

Our ladies and gents enjoyed **Romanian food for lunch**, especially the amazing desserts! In the afternoon they also enjoyed Romanian wine, rum, drinks and selection of snacks, whilst we shared some **historic facts about Romania** and danced to **traditional music**.

A memorable day was has by us all.
