

St Winifreds Care Home residents celebrate Ireland

We recently had fun with our residents at St Winifreds Care Home when we hosted a fantastic Irish Day.

We decorated our lounge with a special 'O'Brien's Tavern' and Blarney Stone, and everyone enjoyed having their **photos** taken with our Irish accessories, including leprechaun hats and lucky shamrocks!

Our ladies and gents enjoyed a **tipple or two** and there were lots of **smiling faces** to be seen.

We had fun at O'Brien's Tavern!
