

## St Winifreds Care Home residents celebrate Valentines Day

**We all really enjoyed Valentine's Day here at St Winifreds Care Home.**

We gave all our residents a **chocolate heart** and **chocolate rose** to celebrate the day, we also served some delicious **chocolate cupcakes** which looked very tempting displayed on our cake stand.

We decorated our lounge with **red heart-shaped helium balloons** and a 'love' shaped balloon too.

We played **love-themed music** and our residents made **Skype and Zoom calls** to their loved ones which made the day extra special.

*A day full of love (and chocolate!) at St Winifreds!*

Our residents loved their chocolate roses!
