

St Winifreds Care Home residents enjoy 40s music on VE Day

On Saturday 8 May we celebrated VE Day with a fun-filled programme at St Winifreds Care Home.

We welcomed the **Swingtime Sweethearts** to our **Home** to sing a medley of beautiful **40s music**, which went down a treat. It was touching to see our residents waving their flags and singing along, some with tears in their eyes.

Our residents enjoyed **tea and coffee** served in china cups, with homemade shortbread, followed by a **traditional lunch**.

We made up a **sweet trolley** with classic penny sweets and enjoyed cherry Baileys, wine, ginger beer and ales.

Thank you to everybody involved in making the day so special for our residents; *they had the most amazing day!*

Our Home decorated for VE Day
