

St Winifreds Care Home residents enjoy a cafe outing

On Friday 16 June we took several of our residents from St Winifreds Care Home on an outing to The Fifth Trust Café.

The Fifth Trust is a local charity that is run by adults with learning disabilities. The cafe is full of colourful paintings to admire and our residents had a lovely time interacting with the staff whilst enjoying tea, coffee and enormous scones!

Everyone said on the journey home that they were looking forward to the next visit.

Thank you Fifth Trust for a very enjoyable afternoon!
