

## St Winifreds Care Home residents enjoy a delicious Burns Night

On Monday 25 January our residents at St Winifreds Care Home celebrated Burns Night with a fabulous menu put together by our Chef Andrew.

*They enjoyed a wonderful lunch of:*

**Chicken Balmoral** - succulent bacon wrapped breasts of chicken stuffed with haggis, served with a peppercorn sauce.

**Traditional 'neeps and tatties'.**

Scottish whisky and toasted oat **Cranachan** with Scottish raspberries.

We were also treated to some amazing **homemade shortbread** from Heather in our kitchen, which was scrumptious served with hot drinks and special themed napkins.

*Lots of full tummies and smiles all around!*
