

## St Winifreds Care Home residents enjoy a musical morning with ice creams

**On Friday 16 August at St Winifreds Care Home we had a wonderful double treat during our morning.**

We welcomed a favourite of ours, musician **Barry Goss**, who performed some fantastic 60s music for us all.

We were also paid a **visit from our local ice-cream van**, which is always a welcome sight! Residents, relatives and team members were treated to some lovely ice creams during a specially requested visit from Luke's van.

Classic 60s tunes with a lovely 99 ice-cream – *what more could one ask for?!*

Welcoming Luke's ice cream van

What a happy mum and daughter memory.

A lovely picture of our 103 years young Mavis. Luke the ice cream man said he'd never served a lady of such mature years...extra sprinkles for Mavis then!

Ice creams for two please!

One happy customer!
