

## St Winifreds Care Home residents enjoy a singalong and garden crafts

**On Friday 15 July we came together at St Winifreds Care Home to enjoy one of our favourite activities – a singalong and dance!**

From *Vera Lynn* to *Elvis*, the *Beatles* and *Cliff Richard* – we had a fabulous time **singing** some classic tunes!

On Monday 18 July we continued our preparations for [Nellsar's Right Royal Garden Competition](#).

We had fun **painting flower pots** together, which are coming along nicely. *Watch this space!*
