

St Winifreds Care Home residents enjoy a taste of China

On Tuesday 20 October our residents enjoyed sampling some delicious Chinese food here at St Winifreds Care Home.

They had a wonderful selection to choose from, including spring rolls, sweet and sour chicken, rice dishes, tempura prawns and meat skewers, accompanied by Chinese beer and Chinese tea.

Our ladies and gents loved coming together for this themed lunch and enjoyed our Chinese decorations too. It was super seeing everyone enjoying themselves!

Enjoying a taste of China
