

St Winifreds Care Home residents enjoy letters from Bright Sparks penpals

Our residents at St Winifreds Care Home were thrilled recently to receive a lovely letter and drawing each from the children of our local Bright Sparks Nursery, aged three and four years old.

Most of our residents' penpals are moving on to new schools soon and we helped our residents write letters back to them.

Everyone thoroughly enjoyed receiving these **wonderful letters and pictures**, and wish our penpals the best of luck in their new schools, where we hope they make lots of new friends.

The letters and pictures were a delight!
