

## St Winifreds Care Home residents enjoy musical movement and karaoke

**Our residents at St Winifreds Care Home had a fun afternoon of musical movement on Tuesday 25 May.**

They loved having a good **singalong** whilst waving their **rhythm sticks** and playing their **musical instruments**.

Our staff thoroughly enjoyed getting involved and having a dance with everyone!

And to carry on the fun, we hosted a **karaoke session** on Thursday afternoon, when our residents sang all their favourite songs from the 1940s, and even a little bit of Elvis!

Our ladies and gents enjoyed using the karaoke microphone and everyone got into the full swing of things, **singing** their hearts out and showing off some **dance moves**!

*We all enjoyed the lively atmosphere.*

Karaoke fun!
