

## St Winifreds Care Home residents enjoy Tickled Pink pantomime

On Tuesday 25 October we were joined by Tickled Pink Productions for their wonderful pantomime at St Winifreds Care Home.

We had a great time during their performance as they sang songs from all their pantomimes and danced.

Everyone had fun **singing along and dancing**. Our Bernard stole the show by joining in every act, which the performers found delightful.

*A great afternoon was had by both our staff and residents.*
