

St Winifreds Care Home residents enjoy trips out

Our lovely St Winifreds Care Home resident Mavis, who's 101 year young, recently fancied a trip out on the bus.

She took a lovely outing into town and **along to the pier**, which she enjoyed immensely.

Some **sea views** and lots of fresh air – *her big smile says it all!*

Our resident **Ann** also had a trip out for an appointment, so she was treated to a **Costa coffee stop** which went down a treat!
